

# Recruiting Individuals with Sex Offenses That are Looking for Employment and/or Training

We would like to talk with persons who have a sex offense and who are working with an America's Job Center of California to gain employment.

The purpose is to gain information about your job-seeking experience through a 60-75 minute phone or zoom interview.

All information is confidential and anonymous.

Our overall purpose is to conduct research about promising practices for helping registrants obtain employment.

You will be given \$500 gift card for your time.

Contact Arthur Smiley at [asmiley@friendsoutsidela.org](mailto:asmiley@friendsoutsidela.org), or call (213) 215-5141.
